

# HOW TO MAKE AN AMAZON TEACHER WISHLIST

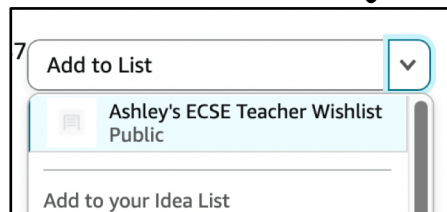

1. Open your Amazon account (or create one if you don't have one yet)

2. In the top right hand corner click create a list

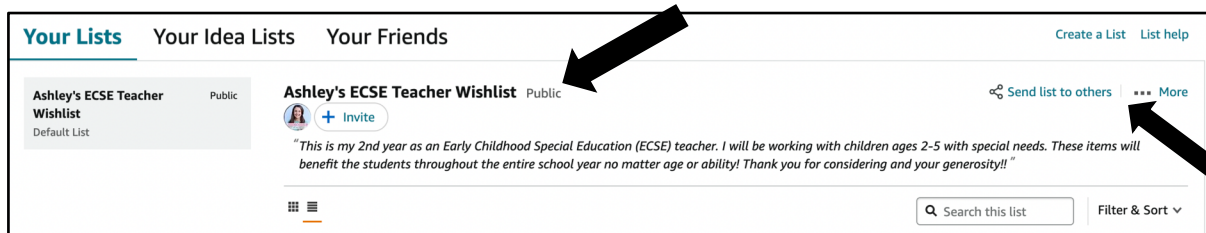

3. Use the search bar to look up items you want to add to your list.

4. When you locate the item you want click on it. Scroll down and on the right hand side click the arrow that says Add to List. Click on your list to add the item.

5. Repeat steps 3 & 4 until you have added all the items you want. When finished make sure you go back to the top right hand corner and review your list. Make sure it is public so anyone can view it!

6. Use the option send to others to copy the link for your list and share it with whomever you want! Search the #clearthelist You may find some additional resources/companies to share with!
